Vendor Partnership Proposal

Empowering Restaurants to Grow with Smart Delivery

Prepared for: [Restaurant Name]

March 2026

Introduction

Dear [Restaurant Name / Manager],

We are pleased to introduce **FastCalories**, a smart food delivery and calorie-tracking platform designed to help restaurants increase sales, improve operational efficiency, and reach more customers with ease.

Following our recent discussion, we are excited about the opportunity to partner with your restaurant and would like to formally present how FastCalories can support your business growth.
